Dear Sir:

Yours of the 12th just received
and glad to hear from you. I
am surprised to get that information
from you about what Posey said
for my last talk with Mr. Drew
just before I wrote you he told
me that I could go ahead with
plans for 1942 the Park was ours

and if he has made any Changes he²
failed to let me know. In a few
days I shall try to Contact him
and then I will write you again.

"Yes" this war buisness has hurt
things and you really want know
what kind of a team you are
going to have until the season
starts and take the left overs.

Respectfully yours
Webster McDonald
